

**Directions:** Put the safety rules below in order by numbering 1 to 5 in the boxes. Then cut out and glue the picture squares on the right in the correct order to complete the picture.

# CAMPFIRE SAFETY

Don't be puzzled about campfire safety!

- A. Before going home, they put out the fire using water and sand.
- B. Firepup® packed a water bucket and a shovel before going camping.
- C. At camp they circled a clearing with stones.
- D. Early in the morning, Firepup® and the knight left the castle.
- E. The knight lit the fire in the fire circle and stayed nearby.
