

Snow Removal Parking Restrictions

Parking Prohibited at 2 Inches of Accumulation

City Street Snow Plowing:

On street parking is prohibited except in the Downtown Snow Removal District when the Snow Plowing Operations are declared. Snow plowing operations will be declared at 2 inches of accumulation, measured at the Public Works building. Ticketing of vehicles parked on city streets, will begin when Snow Plowing Operations are declared. Vehicles may be parked on the street before the Snow Plowing Operations are over if the snowfall has stopped and the street has been plowed full width.

The Public Works Operations Superintendent or designee declares the Snow Plowing Operations by turning on the telephone snow line, placing an alert on the city's website www.newtongov.org and notifying the media. Call **(641) 791-SNOW (7669)** to see if Snow Plowing Operations are active.

Downtown Snow Hauling:

Parking is prohibited in the Downtown Snow Removal District between the hours of 2 am and 6 am when snow hauling operations are declared and the downtown snow removal district line **(641) 792-0411** has been activated. Declaration must be made by 7 pm the evening of hauling operation. The Downtown Snow Removal District area has signs with the hotline number.
